affidavit

SPECIAL FUN TAG

A Utah resident who is legally blind, or who is permanently unable to walk so as to be confined to a wheelchair, braces, cane, crutches, or a prosthetic device due to loss of either or both lower extremities, or who is a disabled veteran, may receive a Special Fun Tag. This permit provides free day-use entrance to all Utah State Parks except This Is The Place Heritage Park, and does not cover the \$2 Davis County Causeway fee. Legal blindness is defined as vision of 20/200 or less in the better eye with best correction or a field restriction of 20 degrees or less in both eyes (tunnel vision). Applicants who meet the disability criteria must provide proof of Utah residency and provide the required physician certification below, or provide a letter from the Department of Veterans Affairs certifying a compensable service connected disability.
